

Ladies - If you accidentally over-salt a dish while it's still cooking, drop in a peeled potato and it will absorb the excess salt for an instant "fix-me-up."

Real Women - If you over-salt a dish while you are cooking, that's too damn bad.  
Please recite with me, The Real Women's motto: "I made it and you will eat it and I don't care how bad it tastes."

Ladies - Cure for headaches: Take a lime, cut it in half and rub it on your forehead.  
The throbbing will go away.

Real Women - Take a lime, mix it with tequila, chill and drink. You might still have the headache, but who cares?

Ladies - Stuff a miniature marshmallow in the bottom of a sugar cone to prevent ice cream drips.

Real Women - Just suck the ice cream out of the bottom of the cone, for Pete's sake.  
You are probably lying on the couch, with your feet up, eating it anyway.

Ladies - To keep potatoes from budding, place an apple in the bag with the potatoes.

Real Women - Buy boxed mashed potato mix and keep it in the pantry for up to a year.

Ladies - When a cake recipe calls for flouring the baking pan, use a bit of the dry cake mix instead and there won't be any white mess on the inside of the cake.

Real Women - Go to the bakery - they'll even decorate it for you.

Ladies - Brush some beaten egg white over pie crust before baking to yield a beautiful glossy finish.

Real Women - Sara Lee frozen pie directions do not include brushing egg whites over the crust, so I just don't do it .

Ladies - If you have a problem opening jars, try using latex dishwashing gloves.  
They give a non slip grip that makes opening jars easy.

Real Women - Go ask the very cute neighbor guy to do it.

And finally the most important tip!.....

Ladies - Don't throw out all that leftover wine. Freeze into  
ice cubes for future  
use in casseroles and sauces.

Real Women - Leftover wine??
